Introduction

Waste Warriors is a registered society and non-profit solid waste management NGO, working in Dehradun, Dharamshala, and around the Corbett National Park region. We work through a combination of direct action, public awareness-raising, community engagement initiatives, and long-term partnerships with govt bodies. We are looking for an intern with skills in graphic designing to work at our Dehradun office.

Duties & Responsibilities

- Work with the Associate Manager to understand relevant project design requirements, especially with regards to each design's context, content, style, format, target audience and subject matter.
- Design graphics to be used as awareness-raising materials and branding at our intervention sites and for social media.
- Prepare rough design drafts of materials, and review final layouts and suggest improvements.
- Review final produced materials for errors and ensure the final draft stays in line with our requirement.

Key Skills & Attributes:

- Have intermediate knowledge of and previous experience in graphic design software, including Adobe Photoshop, Illustrator, Premiere Pro, After Effects, as well as Canva, Google Slides, etc.
- Creative and open-minded to suggestions and feedback.
- Ability to work independently with minimum to no supervision.
- Hardworking, confident, and committed.
- Honest, sincere and diligent.
