### Introduction

Waste Warriors is a registered society and non-profit solid waste management NGO, working in Dehradun, Dharamshala, and around the Corbett National Park region. We work through a combination of direct action, public awareness-raising, community engagement initiatives, and long-term partnerships with govt bodies. We are looking for an intern with skills in graphic designing to work at our Dehradun office.

### Duties & Responsibilities

- Plans design concepts and works with the Communications Dept. to understand relevant project design requirements, especially with regards to each design's context, content, style, format, and target audience.
- Design graphics to be used as awareness-raising materials and branding at our intervention sites and for social media.
- Prepare rough design drafts of materials, and review final layouts and suggest improvements.
- Review final produced materials for errors and ensure the final draft stays in line with our requirement.
- Contributing to team efforts by accomplishing tasks as needed and on time.

### Key Skills & Attributes:

- Have intermediate knowledge of and previous experience in graphic design software.
- Experience with Adobe Photoshop and Illustrator is preferred, knowledge of Canva and Google Slides is a plus.
- Access to your own laptop is absolutely necessary.
- Being fluent in both English and Hindi is highly preferred, with the ability to edit designs in both those languages.
- Creative and open-minded to suggestions and feedback.
- Ability to work independently.
- Able to give and receive constructive criticism.
- Hardworking, confident, and committed.
- Honest, sincere and diligent.
