JOB DESCRIPTION

Does it bother you to see plastic polluting our mountains, forests, rivers & oceans?

Do you think it's unacceptable to see people burning waste or tigers chewing plastic bottles?

Do you dream to use your communication skills to have a positive impact and see a cleaner planet?

If you've said yes to all of that, then come join Waste Warriors in our battle for our planet.

Aviral - Reducing Plastic Waste in the Ganga

This project will initiate a large awareness & behavioral change campaign, focusing on solid waste generated in two of the holiest Ganga cities in Uttarakhand, **Haridwar and Rishikesh**.

We will positively change how local residents & businesses, tourists & vendors, ashrams & schools, & government authorities deal with waste in and around the Ganga.

Aviral is initiated & funded by the Alliance to End Plastic Waste, in collaboration with the German development agency GIZ, and is being implemented by Saahas NGO, Saahas Zero Waste, and Waste Warriors Society.

What You Will Do:

- Leading the project on-ground activities in both the cities - Rishikesh and Haridwar.
- Taking strategic decision on the efficacy of the project to ensure we can have maximum impact.
- Coordinating with the team to ensure implementation at local level & reporting to Saahas Team Lead and GIZ project manager.
- Ensuring all deliverables and targets of the project are met within the stipulated timeline.
- Assisting Waste Warriors in achieving their organisational vision.

Contract: Till March 2022 with CTC of INR 30-45k per month. (Extendable)
